(incense burners, etc.)

PROPOSING A NEW “MEMORIAL SERVICE”

(HAND-HELD MEMORIAL SERVICE)

Even if you don't have a Buddhist altar

All you need is a photo, flowers, and incense

Just by joining hands every day

It will soothe your heart and mind

An important moment to look at yourself

「 2 2 5 mm × 3 6 4 mm 」 WORLD
THICKNESS 1 6 mm

Product name 「畳小町」 TATAMIKOMACHI

Each piece is hand-sewn.

The tatami mat is made of resin.

*In stores, it is made of resin that does not get sunburned.

Natural materials (Igusa) are built to order products.

The edges are available in 4 colors (spring, summer, fall, and winter).

The core material is wood powder board, which is environmentally friendly.

*Wood powder board (insulation board)

Eco-friendly board made by crushing and solidifying waste and unused materials
